COACH
MENTORING

Coaching & Mentoring help individuals, teams, and organizations develop and grow.

For Individuals this may mean finding direction, accomplishing goals, or unblocking barriers to their future. For Teams this may mean improving performance, bettering communication, building trust, and agility. And in Organizations this may mean helping leaders to create an environment where psychological safety is the norm, where business agility can take root, and leaders flourish.

COACH MENTORING - (ICF)

Mentoring provides professional assistance in achieving and demonstrating the levels of coaching competency and capability demanded by the desired credential level by the International Coaching Federation – ICF.

Mentor Coaching for an ICF Credential consists of coaching and feedback in a collaborative, appreciative and dialogued process based on an observed or recorded coaching session to increase the coach's capability in coaching, in alignment with the ICF Core Competencies.

Improvement in individual's performance, targets and goals.

- Increased openness to personal learning and development.
- Increased ability to identify solutions to specific work-related issues

When your mind broadens in one area, the tendency is for expansion overflow in other areas, as well. This will have an automatic positive impact on the workplace environment like domino effect. Invest in your team today to become the leading organization you aspire to be.
